

# The Story

## **WHY A LOUNGE?**

Driving to Orange County or LA for an upscale bar atmosphere gets old after a while. So we brought a chic and truly cosmopolitan experience to the Inland Empire. Thirty-Three is a place where people can come enjoy sophisticated drinks, good music and great conversation.

## **WHY THIRTY-THREE?**

We learned some important things growing up at Tava Lanes Bowl. Other than throwing a mean hook, we learned to truly appreciate our customers. Over the almost 50 years that Tava Lanes served Riverside, our customers became great friends. At L33 we will strive to have that kind of relationship with you. There were 32 bowling lanes at the old bowling alley and Lounge "Thirty-Three" represents the next step in our family's bond with the community.

## **A BIT OF FAMILY HISTORY**

The Tavaglione family has a proud history in Riverside. Our great-grandparents came to Riverside in hopes for a better life for their children. Our grandparents, Dominic & Madelon, our many aunts & uncles, and our parents, George & Cheryl have continued the tradition of making Riverside a better place. It is our hope that our generation continues this proud legacy.
